

**IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF NEBRASKA**

UNITED STATES OF AMERICA,

Plaintiff,

VS.

JUAN ROSALES-CANO,

Defendant.

CASE NO. 8:05CR185

TENTATIVE FINDINGS

The Court has received the Presentence Investigation Report (“PSR”) and the Defendant’s statement (Filing No. 29). The government has adopted the PSR. (Filing No. 30.) See Order on Sentencing Schedule, ¶ 6. The Court advises the parties that these Tentative Findings are issued with the understanding that, pursuant to *United States v. Booker*, 2005 WL 50108 (U.S. Jan. 12, 2005), the sentencing guidelines are advisory.

As the Defendant stated, any objections to the PSR would be rendered moot if the Rule 11(c)(1)(C) plea agreement is accepted.

IT IS ORDERED:

1. The Defendant's Statement (Filing No. 29) and the Rule 11(c)(1)(C) plea agreement will be discussed at the sentencing hearing;
2. The Court's tentative findings are that the Presentence Investigation Report is correct in all respects;
3. If **any** party wishes to challenge these tentative findings, the party shall immediately file in the court file and serve upon opposing counsel and the Court a motion challenging these tentative findings, supported by (a) such evidentiary materials as are required (giving due regard to the requirements of the local rules of practice respecting the

submission of evidentiary materials), (b) a brief as to the law, and (c) if an evidentiary hearing is requested, a statement describing why an evidentiary hearing is necessary and an estimated length of time for the hearing;

4. Absent submission of the information required by paragraph 3 of this Order, my tentative findings may become final; and

5. Unless otherwise ordered, any motion challenging these tentative findings shall be resolved at sentencing.

DATED this 19th day of October, 2005.

BY THE COURT:

s/ Laurie Smith Camp
United States District Judge
